2018-19 Online Testing Information

Iowa Assessment, Form E (Complete Battery)

Cognitive Abilities Test (CogAT), Form 7

Requirements for Online Testing

- There is a minimum of 50 students per school required to undertake Online Testing.
- Schools may elect to do some grade levels with online and others with paper/pencil, but may not split test mode within the same grade.
- Each school must complete technical readiness with the HMH System Checker to determine bandwidth eligibility before an order is placed.
- Three professional development sessions are required per school: DataManager Introduction, DataManager Setup and Test Administration, and Proctor Training.

Pricing

- Online Iowa Per Student, K-12: \$12
- Online CogAT Per Student, K-12: \$9
- Web-Based Online Testing Training Fees per school: \$600 for all three required web-based courses (DM Introduction, DM Setup and Test Administration, and Proctor Training). This training is a one-time training for the school.
- All fees for online testing will be invoiced by HMH and payments should be made directly to HMH (not to the AACCS).

To Register for the Online Testing Administration

- Complete page 1 of the *2018-19 Test Materials Order Form*.
- Complete the *2018 Iowa Online Testing Order Form* (if doing Iowa online testing).
- Complete the *2018 CogAT Online Testing Order Form* (if doing CogAT online testing).
- Return all completed forms to the AACCS office.
- Do **not** send forms to HMH.
- Forms are found on the AACCS website.
