Housing

Housing registration will be completed during the online school registration process.

1. Contestants may stay in residence halls or in local hotels. (Due to the limited number of beds, contestants living within 50 miles of Greenville may not stay in residence halls.) Groups are assigned to the same general residence hall area. Because of the number of participants, specific room requests will not be accommodated except for participants who have a sibling in school at Bob Jones University. Residence hall housing can be reserved on a first-come, first-served basis, by completing the online school registration process. Anyone staying in the Greenville area (local residents, hotel, or on-campus) is required to attend **both** chapel and evening service **every** day. Anyone over 50 miles who drives instead of staying in Greenville must attend one service each day [either chapel (11:00 a.m.) or evening service (7:00 p.m.)]. The Tuesday p.m. service and sponsor meeting are required for **all**.
2. **Male and female sponsors must be provided to stay in the residence hall with their group.** Schools are required to provide one sponsor to stay in a residence hall for each group of 24 students in the residence hall. For example:

1–25 boys = 1 male sponsor	26–50 boys = 2 male sponsors
1–25 girls = 1 female sponsor	26–50 girls = 2 female sponsors

We regret that due to limited space in the residence halls additional sponsors above these requirements must make off-campus housing arrangements. (See the list of hotels on the AACS website.)

3. Sponsors are asked to secure student medical release forms (that will authorize treatment in case of an emergency) from parents for each student. In the event of a medical emergency while at Bob Jones University, the Greenville Emergency Medical Service will be called. BJU’s

Public Safety department will assist with minor injuries. [Schools should use their standard medical release form. AACS and BJU do not provide that form.]

4. Contestants and sponsors must supply their own bedding (for single beds) and bath linens. Sleeping bags are permissible.
5. Please note: Residence halls close at 11:00 p.m.

Parking

1. BJU Welcome Center staff will provide special parking instructions for a bus, motor home, camper, etc.
2. Individual cars will observe ordinary campus parking procedures.

AACS Dress/Conduct Code

AACS leadership believes that our National Competition should have high standards of competition and Christian testimony. Therefore, because this event is the highest level of competition for AACS students in the nation, all participating students and adult sponsors are expected to respect and abide by these standards. Failure to do so may result in disqualification. Appropriate dress and conduct are expected both on and off campus.

Review the dress code expectations carefully. There have been some modifications to expectations for students when they are on campus but not attending or participating in an AACS event.

AACS Dress Code

AACS Conduct Code

- The conduct of students is expected to meet the standard for believers in 1 Timothy 4:12. Patience, kindness, and good sportsmanship are to be displayed at all times for all students, sponsors, parents, and visitors. Insubordination or disruptive behavior by any student, sponsor, parent, or visitor toward any judge(s) or competition official(s) will not be tolerated. Inappropriate behavior will be grounds for disqualification from competition and/or expulsion from the campus.
- Violating AACS rules may result in disqualification from all events and/or disqualification from the following year's competition. The AACS National Competition Office will make the final decision in all disciplinary situations.
- Any individual or group practicing during AACS chapels, or not attending chapel or other required services, will be disqualified from all events and/or disqualified from the following year's competition. The disqualification of one or more students for the following year's competition may be extended to the school.
- Individuals or groups that are staying in residence halls must attend residence hall evening prayer group meetings, if prayer group meetings are scheduled. Those not attending will have their names and their school's name submitted to the AACS National Competition Office.
- Any individual vandalizing or stealing will be subject to disqualification and possible immediate expulsion from the campus at the individual's expense.
- Inappropriate behavior during the chapel services or the evening programs could result in a school's disqualification from all events and/or disqualification from the following year's competition. This includes inappropriate behavior in response to the presentation of awards to groups and individual students during the Thursday night Awards Program. The result of such behavior can be exclusion from the following year's competition.
- AACS participants are to remain on campus at all times, unless under the supervision of an adult staff member from his/her school.
